YOU CAN MAKE—
for about a
\$1 a week.

The antiques and art business rewards knowledge—and for less than the cost of a cup of coffee, you can gain access to vital information. Subscribe to *Maine Antique Digest*, America's most comprehensive publication covering the art and antiques markets both here and abroad. Your investment gets you a yearly subscription that includes:

12 big issues packed with market reports and news about art and antiques.

- ✿ Full access to *M.A.D.*'s online Prices Database, a compendium of actual auction prices paid.
- ✿ Full access to *M.A.D.*'s Digital Edition. At a show or on the road, complete issues of *M.A.D.* are available electronically—with easy search capabilities.
- ✿ Full access to *M.A.D.*'s online archives. The art and antiques market relies on history—What sold? For how much? Why?
- ✿ A complimentary copy of *M.A.D.*'s annual Trade Directory, listing dealers, shows, auctioneers, and experts, categorized by state.

You can get all this for less than a cup of coffee. (Plus, it's a tax-deductible business expense!) And you'll have something to read while drinking that coffee.

"But I don't live in Maine." Despite the name, *Maine Antique Digest* has coverage from across the country. Every issue of *M.A.D.* is chock full of news and information and advertisements from America's best dealers, auctioneers, and show promoters.

And we'll sweeten the deal!
New subscribers will get 16 issues, instead of 12, for \$58.
Or you can be an online-only subscriber for \$41.

All
Heart

When starting my auction company, I wanted to do things differently. With no aspirations to build the biggest auction house, I simply wanted a place where all of my favorite aspects of the art & antiques community could be cultivated: knowledge, passion, curiosity, trust, & relationships.

A place driven not by numbers, but by heart & soul - a genuine devotion to the "stuff" & people who love it. With a team of experienced, diligent, & kind professionals, I can tell you with confidence that there is one thing you can count on from us: that when it comes to representing you & your collection, we are all heart.

Contact us today to discuss selling one item or an entire collection.
Extensive & current references available.
